

BACCHUS HOUSE

WINE, BAR & BISTRO

Is Proud to Host:
A FUNDRAISER **SUNDAY BRUNCH** FOR DIABETES

Help send kids to Diabetes Training!

A portion of the proceeds will go toward tuition and travel expenses for kids to attend Camp Sweeney in Gainesville, Texas.

This will be a three week program that recognizes that simply teaching a child about diabetes is just not enough.

At Camp Sweeney, a child receives coaching and support to train the young person that with every meal, with every activity, and with every Blood test and injection is an opportunity to lead a healthy life. The courage that they find within themselves lasts a lifetime.
