For over 100 years the story of The Wizard of Oz has given
Faithful service to the young and young in heart;

And time has been powerless to put its kindly philosophy out of fashion.

To those of you who have been faithful to it in return...and to the young in heart...

We hope you are touched and we dedicate this tribute.

Thank you for your donations

And for being here during this magical time of wonderment and love.

The Wizard of Oz exhibit is in loving memory of

Troy Tanner
